- Your personal statement should reflect your hopes and plans for your future. This is your opportunity to share your goals with the Scholarship Committee.
- You might start your essay by telling about the size of your family, your family's formal education, and about your daily schedule. Explain if you work, have hobbies, or activities in which you participate.
- You may attach a separate sheet of paper with additional scholarships you wish to apply for if you run out of room on the front of the application.
- If you are transferring in fall 2020 you are a transferring student and are eligible for those scholarships that are for transferring students. If you are attending Merced College in fall 2020 you are a continuing student and are eligible for those scholarships that are for continuing students.
