COVID-19 Vaccine FAQ

How do I schedule an appointment for a vaccine?

Vaccines.gov helps you find locations that carry COVID-19 vaccines and their contact information. Because every location handles appointments differently, you will need to schedule your appointment directly with the location you choose.

Schedule your COVID-19 vaccination today.

COVID-19 Vaccine Update: We're now offering the Pfizer-BioNTech vaccine to ages 12+ based on FDA and CDC recommendations.

Residents of New Hampshire and New Mexico

Please select your state to schedule your COVID-19 vaccination.

[New Hampshire](#)

[New Mexico](#)

For all other state residents

1. Sign in to your Walgreens.com account, create a new account or schedule an appointment as a guest. You must complete the process as a guest if you're scheduling an appointment on behalf of someone else. A parent or legal guardian must complete registration for minors under the age of 13, as our sites are not intended for minors under the age of 13. Account creation is subject to age restriction.
2. Complete a quick eligibility screening.
3. If you're eligible, we'll look for available COVID-19 vaccination appointments based on your age and location.

COVID-19 Vaccination Screening

Please answer all questions to the best of your ability to determine your eligibility for a COVID-19 vaccination.

質問事項に回答

1. In some states, those eligible to receive a COVID-19 vaccination will have received an authorization code. Have you received a COVID-19 authorization code?

☐ Yes ☒ No

2. Do you feel sick or have you experienced any of the following symptoms in the last 24 hours: fever greater than 100.4°, sore throat, cough, chills, shortness of breath, headache, nausea, vomiting, diarrhea, or recent loss of taste or smell?

☐ Yes ☒ No

3. In the last two weeks, have you tested positive for COVID-19 or are you currently being monitored for COVID-19?

☐ Yes ☒ No

4. Do you have a chronic health condition such as cancer, chronic kidney disease, autoimmune disease, chronic lung disease, obesity, sickle cell disease, diabetes, heart disease, or other chronic health condition?

☐ Yes ☒ No
